

ACTION—CAMERA

Or whatever it is they do and say for the Telescreen work! Here's a notable "first" for the Big Store: this year saw the local

Santa Claus Parade on C.B.C. Television

It was a triumph of the pioneering spirit of the west over temporary lack of technical equipment. Speaking recently, Mr. Wilf Carpenter, director of TV at C.B.C. in Winnipeg, said that ordinarily such an outdoors broad-

cast could only be handled with proper mobile equipment. As yet, CBWT has not that

equipment.

By having the parade pass the corner opposite the TV station, however, it became possible for the TV technicians to mount the studio camera on that corner, using a 400-foot cable extension from the studio. In this way they were able to use the studio equipment to cover the parade as it went by outside; so it was done—and done well, as the many favourable comments have indicated.

Not only did shut-ins and other folk at home see the parade, but Eaton's provided television sets for the children's wards of all local hospitals and the parade was seen on TV by the young patients. An accomplishment for which all concerned may take a well-deserved bow!

Our President's Christmas Message

and an oar oar

Christmas customs are happy ones, and not the least of the time-honoured traditions is the expressing of the sentiments that so often go unspoken through the year.

The weeks that lead up to Christmas are arduous for those who work in a retail organization, and I am keenly aware of the fine spirit you have shown during the past few weeks. Throughout the year, your co-operation and loyalty have been much appreciated.

May each of you enjoy every happiness this festive season. To you and yours goes my sincere wish for a very Merry Christmas . . . and may the New Year be rich in fulfilment of its promise.

Sincerely,

President.

A Personal Christmas Greeting From Our General Manager

For your splendid support and dependable Eaton spirit throughout the year now closing, and for your cheerful, ready and effective co-operation during the Christmas rush, my whole-hearted thanks.

To each one of you, and to your families, I extend sincere wishes for a truly Merry Christmas and a New Year filled with Good Health and Happiness.

Eaton's "Good-Deeders" Again Crowd "Met" Theatre for Christmas Party

"More than 10,000 members in our Winnipeg and District Club," said Miss Rose Cooper, Club secretary, "and you'd almost believe they're all here this morning," as we surveyed the jam-packed Metropolitan Theatre, Saturday, November 27. And why not? The Good Deeders turn out a program of talent that's very "top drawer!"

Cartoon movies, give-away prizes and door prizes also made for excitement and fun. Much merriment and mystification were caused by magician Ken Leyton's tricks before the half-hour on the air.

And did we say "talent?" Just glance over the pictures we show

Top, Left to Right and Down

The Tots' Orchestra (Austrian Air); Barbara Presnak leading "White Christmas," Lynn Furch leading "Over the Rainbow" (both with choir); Margaret Reid in skip-tap "Daughter of Rosie O'Grady;" Rose Cooper with Good-Deeder Wayne Bremner; Susan Conway, "Little Soldiers' March;" and (right to left) Judy Lough, Lois and Linda Mailey, "Winter Wonderland," song and tap; banjoist Marlene Herbert, "Twelfth Street Rag;" Carol Townsend, Jean Morton and Carol Hornbeck, "Heart of My Heart," song and tap; Rosemary McKinnon and Morley Schultz duet, "This Old House."

Standing with Miss Cooper (right centre) is seen the Winnipeg Good Deed winner for the week, five-year-old Wayne Bremner, who before he reached his fifth birthday showed remarkable presence of mind. His dad's auto stuck, dad and a friend got out and pushed; the car started to run away with Wayne and two other tots. Wayne scrambled over to the front and turned off the ignition, saving the car from crash or collision.

Carol Meyer, of Grandview, eight years, won the other award watch for being so useful and unselfish in a family crisis.

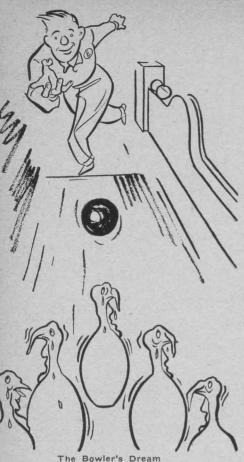

Eaton Bowlers Hold Annual "Turkey Shoot"

By VERA McCAW

Lots of feathered friends "bit the dust" of the alleys recently when the Eaton Mixed Bowling League trundled off for Christmas dinners! And we suspect that more than one of these lucky winners might find themselves invited out to Christmas or Boxing Day dinner—if they bring their own turkey, of course!

However, it was the usual hilarious event—with some notable high scorers hitting the low counts and some of the others, as might be expected, bowling "over their heads" to grab off that light and dark meat!

CONGRATULATIONS, WINNERS! May you and your families and guests enjoy every succulent mouthful!

LOCAL TOURNEYS

Good numbers of our bowlers entered the Charles Gibson, Sam Wasson and Ruth Bannon trophy events, but none was lucky enough (we won't say not skilful enough) to top the scoring. However, we did notice these names in the high-score listings: H. McDiarmid, 755 (319); A. Kalsics (312).

We understand from George Firth that in the Wasson event, held last of these three, nobody from the Eaton teams managed to mark up any thrilling scores. However, time forbids us pursuing the matter in detail just now—so perhaps more later about this. See below.—Ed.

Your Officers, Executive and Scorekeepers wish all bowlers and their families a Very Happy Holiday Season and better things in store for the New Year. Now wouldn't it be a nice thought for each and all of us to carry into the New Year the Christmas Spirit of kindliness and goodwill . . . to help make this old world a brighter place in which to live. Let's try!

Sincere best wishes from all the bowlers—and we are sure, all our readers—to correspondent-bowler Vera McCaw who is on a none-too-welcome visit to hospital since Sunday, December 12. We don't know for sure whether Vera will be back in time to cover the next issue on bowling—so bowlers, check with her and don't let us down.—Contacts.

Silver bells and cockle shells, and pretty maids all in a row.... One of the lovely floats that caused many "oo's" and "ah's" as the parade wound its five-mile way through Winnipeg's streets while hundreds of thousands lined the route.

'Twas a Jewel of a Christmas Party

that was held in the festive, spacious setting of the Albany Room, Assiniboine Hotel, the evening of Saturday, November 27, with over 150 present. This was the ninth (magic number) and comments indicate that it was the most successful party to date! Store Jewellery and Watch Repair Departments, also Watch and Jewellery Workrooms participated.

The committee in charge: Roy Firth, Ruth Evans and Don Wilson, of the Jewellery Department, Jack Shields, of Repair, and O. Olafson, of the Workrooms, were heartily congratulated on arranging such a grand evening. Dancing was enlivened by tangos, fox-trots, waltzes, polkas and jive(?). Ralph Gerry entertained with songs, and the dextrous work and well-contrived mysteries of HALDANE the Magician delighted and puzzled the crowd.

Mr. A. Cranston, manager (shown above at "mike"), expressed to the gathering his appreciation and thanks for their unfailing good work and co-operation. Special guests were

Mr. B. Sutherland, Personnel manager, and Mrs. Sutherland. Mr. Sutherland (shown with Messrs, Cranston and Firth at the special presentation) expressed the Company's pleasure at such friendly staff parties and wished them continued success.

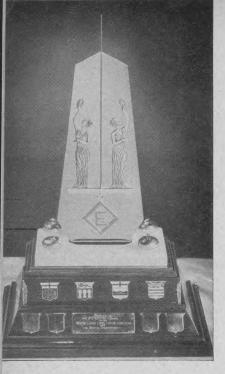

The delicious buffet lunch, very beautifully set, was much enjoyed, and the usual interesting merriment accompanied the gift presentations.

At the close of this fine evening's pleasure everyone joined in singing "Silent Night," and Roy Firth rang down the curtain with his fine rendering of "Bless This House."

WINTER From "The Year Through"

God be with you in the winter, When the snow lies deep and white; When the sleeping fields are silent And the stars gleam cold and bright. When the heart and hands are tired With life's long and weary quest; God be with you in the winter, Just to guide you unto rest.

Competition will be Keen for the Eaton Western Canada Ladies' Curling Trophy—Third Year

In the short space of three seasons the Ladies' Curling Clubs of Western Canada have achieved an organization of competition that must be a record in the field!

In October, 1952, under the sponsorship of The T. Eaton Company Limited, representatives from Saskatchewan, Alberta and Manitoba associations met in Winnipeg and arranged for western curling playdowns. At this time the Western Canada Ladies' Curling Association was organized with Mrs. H. C. Andrews, of Moose Jaw, as president. That season the play-off between the three provinces was held in March at Regina. The Eaton trophy, shown here, was also designed for competition.

The following year, with British Columbia included, the provinces played off at Edmonton (in March of '54). The city, Eaton's and others combined to make the occasion the most lively and notable sporting event in the city's annals (until the recent incidence of the Eskimos, of course). Mrs. W. Watson, of Edmonton, presided, and Mrs. P. O. McIntyre, of Winnipeg, was elected president for the present season, when the play-off will be at Winnipeg.

The event will be at the Granite Club here on March 14, 15 and 16, and we wish this association, with its several thousand clubs and probably over 15,000 members, great success.

At Long Last—Puck-Chasers Get "On Ice"!

By Walter McDonald

We were beginning to think it would never come this winter—but finally, Friday evening, December 10, our hockey league got under way on the ice at Olympic Rink, after the many delays due to the unseasonably mild weather.

Vikings, last year's champions, got off to a flying start by downing Gremlins 10 to 1. Last year's runners-up, Red Wings, topped the under-staffed Rockets by a score of 7 to 1. But, of course, with the Christmas rush holding up some men, and no chance for practice, we won't judge by the first few games! Look for some statistics in next Contacts.

Eaton Badminton Club Active

Swinging into action in late November, the badminton players will resume full schedule after the holiday season.

It's grand news that after many years, says Mr. J. O'Leary, president, the courts of the Winnipeg Badminton Club are open for our use on Wednesday afternoons from 1 o'clock to 4:30; as there are six courts that means lots of games can be played.

Also, we have again kindly been given the use of the court at the R.C.M.P. Barracks, each Wednesday evening.

New members welcomed—whether with some playing experience or none at all. Membership is only two dollars—payable, please, to Miss Dorothy Whiteside, Expense Office, Sixth Floor, Store. This includes your playing privilege. Mail Order Members—One Dollar only!

Instruction will be given by Mr. Herb Richard, Winnipeg Club pro, from 3 to 4 p.m., resuming January 5. Fifty cents only per member for this set of lessons. Lunches are available at the Badminton Club canteen. The address, by the way, is 150 River Avenue, not far from Main Street.

News from the Angling Club

Thursday, November 25, saw the close of the season for 1954. Election of officers for the coming season of 1955 took place at the regular monthly meeting. The president gave a talk on the merits of club work, and briefly reviewed the activities of the club over the past five years of operation. He voiced regret that there were so many fellow-Eatonians who are fishermen or potential fishermen and are not members of the club.

Plans for expansion of the club by the addition of new members from among the fishermen in Eaton's is to be the first item of business for the new 1955 committee. Meetings are to be pepped up, with educational and social activities the main basis.

St. John Ambulance Classes will begin early in the new year; also the Fisheries Science Classes, both first year and second year. These science classes are held in the University Building on Broadway Avenue, throughout the winter months.

"Ladies' Nights"—These are special general meetings when members may bring ladies. Plans are in hand to have more of these meetings in 1955. The films shown by the club are both educational and entertaining, and will appeal to everybody.

ADVANCE NOTICE! Plans are already underway for a "bang-up" Fish Derby for May 24, 1955, to Shoal Lake. "Something new has been added." This Derby will be the talk of the town! Watch the bulletin boards early in the New Year for further information about this big day.

Eatonians wishing information about the Anglers' Club and its activities, may obtain it from Johnny Johannson, Department 261 (Third Floor Sporting Goods): Arni Cooper, Department 143 (Store Electricians), or from Doug McPherson, Recreations, Staff and Welfare Office, Second Floor, Store.

The Members of the Club extend, to one and all, wishes for "A very Merry Christmas and a Bright and Prosperous New Year."

However, a good full schedule is arranged for after the holiday, with third round of games scheduled to be played off not later than January 15.

Members, please get these completed on time and keep the schedule on time. Also, please remember, in giving in your results to the Recreational Office, to turn in complete scores.

4-H Club Members Again Enjoy the "Winnipeg Week" Given by Eaton's

"It's easy enough to be pleasant when life goes by like a song, but the one worth while, is the one who will smile when everything goes dead wrong..." and goodness knows, the farming community of Manitoba and the Prairies has been hard hit this last year. So the verve, the earnestness, the faith in agriculture and livestock farming, of the over 9,000 members of the 4-H Clubs in Manitoba, and their cheerfulness in the face of difficulties, are going to be big factors in the coming years.

Head - Heart - Hands - Health, the 4-H program holds the promise now as never before, except for those dry years. The Provincial Government's Extension Service which sponsors the clubs, the continued generous support of Eaton's who brings these 120 club members for a week to Winnipeg, and the generosity of other firms who contribute in many ways to make that week informative and entertaining—all are well worth while.

For it is in meeting the problems of changing times and new methods—even seems like a new climate these years—that work of the young members of 4-H Clubs will "pay off." In maintaining and raising the standards of our farm operation and the stability of rural life in our great west, those brought here are chosen for outstanding work in their districts.

The groups are guests of Eaton's for the week in Winnipeg hotels, and the week is planned to afford them interesting visits. Industries, packing plants, government historical, technical and agricultural departments,

our Mail Order and numerous other places are on the agenda. Also relaxations—dinner parties, dance, theatre night and hockey games, etc. It's a week of reward for good work, which also affords these young Manitobans opportunity to meet people who mean something in their educational and home life.

At head table, in top picture above, left to right, may be seen — D. S. Stevenson, Department of Agriculture representative; Miss Mary Matheson, Provincial Home Economist, Winnipeg; Mr. F. G. Muirhead, assistant Store superintendent; Mr. J. R. Bell, Deputy Minister of Agriculture; Mr. A. W. P. Harrison, Mail Order (chairman); Mr. W. L. Palk, Store superintendent; Mr. W. S. Frazer, assistant Grain Commissioner; Miss Lulu MacLeod, Home Economist, Morris district; Mr. G. S. Houston, Mail Order; Mr. F. Muirhead, Provincial supervisor, 4-H Clubs.

Other pictures — Mr. F. G. Muirhead welcoming the groups, and Robert Fulton, Birtle, responding; also another view of some of the members.

Eaton Theatre Guild Starts Production

Three Entertaining and Interesting One-Act Plays Are Planned for Presentation Wednesday, February 2, 8 p.m., in Y.M.H.A. Auditorium

The Plays

Send Her Victorious.....by Philip Johnson The Invisible Worm......by Elda Cadogan Joint Owners in Spain......by Alice Brown

Direction will be by Miss Norrie Duthie, of the Manitoba Drama League. Members of the Guild specially interested in learning production will be afforded instruction and experience during the progress of staging these plays. Also all those in the Eaton Guild will be able to learn acting, stagecraft, scenery, make-up, poise and elocution, etc. Everyone from past Guild productions heartily welcome—and new members and visitors, too!

As previously announced, for the time being the work will be carried on at the Y.M.C.A., Wednesdays at 8—Mr. Naylor's room; also any other evenings as announced at the meetings.

The Tec-Voc Majorettes and Band marching with Santa's Parade.

Ten

"Oh, What a Beautiful Morning!"

"Oh, what a wonderful day; Get on your coat and Let's hurry—SANTA IS COMING THIS WAY!"

THAT might well have been the morning wake-up song of countless thousands, of all ages, Saturday, November 20th! For just about everybody in and around Winnipeg—and for a big distance around, too—was out to see the spectacular Eaton Santa Claus Parade.

"A Most Unusual Day"

As for what happened, let's catch some of the enthusiasm from the writers in the Winnipeg papers. . . . "The blazing sun chased away the few fluttering snowflakes . . . beamed down on the thousands upon thousands who crowded the five-mile route."

"The floats, the clowns, the marching pageants were new; the glitter, the wildly cheering crowds, and Santa were as always . . . the parade was big, and lively, and breathtaking. A giant panorama of colour and music a mile long. Blessed by the finest weather in many years."

A Mile of Magic

"Over 850 high school students strutted, pranced and posed in the colourful pageant or on the floats. The Air and Sea Cadets' and the Tec-Voc's bands found great support from the loudspeaker music units in the floats. Cellophane snow and glittering metal discs twinkled and shimmered; and the gloriously lovely costumes of the many walking groups were simply marvellous."

Story-Books Come to Life

Among the floats — preceding that mighty chariot that carried Santa and his deer — were those created around storybook characters such as Humpty Dumpty,

Bobby Shaftoe, Contrary Mary, Queen of Hearts and Flowers, Mother Goose, Silver Bells and Pretty Maids. Other stories, too—Ali Baba and the Forty Thieves (properly dunked in oil jars); Neptune and his mermaids and sea-horses; Don Quixote about to charge the windmill. Clown Choo-Choo, Pirate Galleon, and Colossal, Sensational—the Young People's Favourite, Punkinhead, apparently just landed with his Moon Rocket, with Flying Cup and Saucer and queer little Space-Men around him!

Walking Wonders

Here they come — Guardsmen about eight feet tall (see them and some of these others overleaf), Giant Clowns, big-heads and no-heads; Princess Pirates, Peasant Girls, Oriental Beauties of Ali Baba's court; Checker and Chess Girls, Hoop-skirt Girls, Cowgirls, Indian Princesses, King Arthur Knights, Star Girls, Flower Girls, Dutch Girls, Butterfly Girls and Mandarin Girls. Eskimo Lasses, too, and several groups of "precision drill" majorettes! All of them gorgeously colourful, in brilliantly beautiful apparel—a triumph for the parade designers and costume-makers.

Well might the onlookers have said, with the famous song, "Everything's Wonderful, Everything's Marvellous, Everything's Coming My Way."

Welcome to the Eaton Quarter-Century Club

WILLIAM R. DONALDSON

Coming to Canada from Belfast, Northern Ireland, Mr. Donaldson has been 25 full years with the City Dispatch.

On his anniversary morning, November 25, Mr. J. McClure on behalf of his co-workers, presented him with a mantel and ornaments for his living-room, and congratulated him on his many years of good work for the department. partment.

A stag was held in Norwood Credit Hall

later, when Bill was the recipient of a car-penter's vise from friends in the Dispatch and Drivers. The repast was a credit to Elmer Bader and John Faill, and a sing-song and general good time was much enjoyed.

Mr. Donaldson's children are William John and Colleen. Bill gives gardening as his chief hobby and recreation, but we seem to sense from that gift above, that he must be a handy man with wood, too!

Shown above, left to right and down—Mr. Fred Butland, Mr. John Wild, Mr. William Donaldson, Mr. Harold Brown, Miss Elsie Fryer, Mr. Thomas Weston, Miss Winnifred Nash, Mrs. Elizabeth Cowie, Mr. Ian Wood.

THOMAS WESTON

Starting with Eaton's November 21 in 1929, Tommy Weston is Winnipeg born and raised. His term of service—exclusive of war years—has been spent in City Inspectors, Basement Store Men's Furnishings, and for over a dozen years now, in M.O. Children's Wear where he has attained signature rank.

In World War 2 Mr. Weston was with the R.C.E.M.E., 3rd Division, earned corporal's stripes and saw overseas service for three and a half years. Mrs. Weston was the former Rose Boore, of Basement Store, and their children are Gary and Maureen.

children are Gary and Maureen.

For his anniversary the department held a very enjoyable party and dance at his home Friday evening, when he was presented with a cigarette lighter. Next morning he received a bench saw from Department 10, and from his old colleagues in Department 11, a motor to run it. As Tommy is very much a woodworker—also a hand-carving adept—these will be most useful souvenirs of his quarter-century. Numerous friends also brought personal gifts to add to his happy celebration.

ELIZABETH W. ORR COWIE

The hamlet of Knowhead Farm, in Lin-lithgowshire, Scotland, was the birthplace of Mrs. Cowie, who came to Canada with her husband and young daughter Janet in 1926. Her quarter-century has been all with 1100 Department—ten years in the Dining-room and since then with the Kitchens.

On her anniversary, November 30, her deon her anniversary, November 30, her department made her a gift of a luggage set and a travel clock—knowing that she plans a holiday "back home" to see her aged father and other relatives (may it be a very happy trip, we all join in wishing). She also received a number of personal gifts as souvenirs of her great day. great day.

Mrs. Cowie, in her spare time, likes a game of bridge. In the spring-to-fall, however, prefers to work in her garden.

JOHN EDGAR WILD

A Winnipeg-born boy, John first put in eight years with City Dispatch and since then has been with the Delivery Department, com-pleting his quarter-century on December 2.

There was "time out" in the World War when he saw six and a half years' service with No. 1 Provost Corps, ranking sergeant and being overseas most of his enlistment.

On behalf of his colleagues, Mr. A. Arnason presented John with a fishing rod and tackle (so we hardly need add that fishing is one of his recreations). Mr. Wild is married and has two daughters, Joan and Jeanette.

IAN L. WOOD

Born in Aberdeen, Scotland, Ian has spent 25 years of his life in China (our China and Glassware Department, we mean, not the Far East) where he has been assistant for some years. The Royal Canadian Navy had Chief Petty Officer Wood's active service for five years recently, four of them indeed "active" overseas! Married, Ian has a son, Larry, age 12, and daughter, Wendy, four years old. His anniversary on December 3 was made the occasion for a complimentary breakfast by his department, M.O. China, and other friends, when over 30 met to honour him at Moore's. Mr. R. J. McLean was chairman, and Mr. V. Dancer voiced the appreciation of Ian's service, with Mrs. Amison speaking for the senior employees who have watched Mr. Wood's progress in the department. Later, in the Store, he received the department gift of a platform rocking chair and personal gifts of a platform rocking chair and personal gifts from Eaton friends.

Masonic work (he now holds the office of Junior Warden), Charleswood Community Club work, and gardening keep Mr. Wood "out of mischief"—and here in Eaton's he has for the past two years, been the very competent president of the Eaton Employees' Charitable Fund.

ELSIE FRYER

The town of Knutsford in Cheshire County, England, was the birthplace of Miss Fryer who, since coming to Canada, has worked for Eaton's Printing Plant, completing her quar-

Eaton's Printing Flant, completing her quarter-century on December 2.

As far as hobbies go, Miss Fryer says that she likes to occupy her spare time, as far as possible, outdoors—and especially in healthful activities which include fishing and cycling. May she have continued good health and good years with Eaton's to enjoy them!

WINNIFRED M. NASH

Three years in the Exchange Department, eight in the Shopping Service, and since then in the Cash Office, has seen the quarter-cen-tury speed by for Miss Nash, who joined the Quarter-Century Club December 4.

Quarter-Century Club December 4.

A breakfast was held in her honour in the Grill Room with about 40 present. Mr. H. Einarson presented her with the department's gift of a wrist watch and expressed congratulations on her service, to which Miss Nash made an able and much-appreciated response. Winnie was the recipient, too, of a gift of luggage from friends who know of her trip to the Old Country planned for next spring.

spring.

Well known to Eatonians and customers for her work as a senior shopper, interested in Church work and particularly group work with children (the Explorers' Club, etc.), Miss Nash also likes good music, knitting and gardening—particularly flower-growing.

HAROLD C. BROWN

HAROLD C. BROWN

December 6 was the day of celebration of Winnipeg-born Mr. Brown's 25 years with the Company—which Eaton's shared with Canada in World War II, while Harold served over four years with the R.C.A.F. He was commissioned and rose to flying officer rank, seeing active service based on England.

Lie applyareary day was a grand one the

ing active service based on England.

His anniversary day was a grand one—the department presented him with a radio, the "old connectors" a plated hot-and-cold server, the signers and bowlers with apparel. The openers and readers also were represented among his numerous gifts. The Friday evening previous to December 6, a department dance and party was held at the Elmwood Building, and the guest of honour was presented with a leather jacket.

Mrs. Brown, was the former Lorna Skinner.

Mrs. Brown was the former Lorna Skinner Mrs. Brown was the former Lorna Skinner who worked in M.O. Exchange and Operating and Store Sale Offices. They have daughters, Donna, 4 years, and Linda 16 months. Mr. Brown has been for 21 years active in Y.M.C.A. work, and has served on the Boards of Stewards and Session for the United

Churches.

FREDERICK P. BUTLAND

A famous city in a famous English county—Plymouth, Devonshire — was Mr. Butland's first home. His entire service with Eaton's—reaching a quarter-century December 9—has been with the General Office.

His contacts with the Western Stores and staffs brought Fred a harvest of good wishes on that day—Calgary sending a well-fabricated memo invoice, and all other Western Stores and numerous individuals being represented in the cordial messages. Included was a special good wish from Mr. W. J. Walsh, retired from Winnipeg G.O.

Mr. Whitbread presented Fred with a handsome watch from his co-workers, and from the girls in the office he received a Gladstone bag and cuff links, "Older associates" combined

and cuff links. "Older associates" combined to present a modern Snorkel fountain pen and pencil set. That evening Mr. Butland had open house for his friends, and it was a most pleasant ending to a wonderful day for him.

Married, Mr. Butland has children Judith and Richard. Likes gardening—some years ago was winner of the Ames trophy for highest points in the novice section in Eaton's Employees' Show. He is keenly interested in sports and active in community work, as executive member of Orioles Community Club.

Left to Right-Miss Mary Thomson, Mr. Thomas Hembroff, Mr. Robert Torrance, Mr. John Speed

Congratulations on Thirty-Fifth Anniversaries

THOMAS MCKENZIE HEMBROFF

Coming to Eaton's after his return from the Great War, Mr. Hembroff completed 35 years of service with M.O. Sporting Goods on November 24. He was born at Gladstone, Man.

From 1914 to 1918 he saw service overseas with the 1st Battalion and Fort Garry Horse as sergeant, and is the holder of the 1915 Mons medal. Married, he has a son, Erol, and four grandchildren.

Tom's colleagues celebrated his 35th annirom's colleagues celebrated his 35th anniversary by presenting him with a combination power drill kit with attachments. And later Mr. Jimmy Carson gave a party at his home with Mr. Hembroff as guest of honour, when a presentation of a home-recreation golf game was made.

Thirty-three years of Sunday School work, still continuing; membership in the Road Legion, gardening, fishing and golf keep Mr. Hembroff both busy and fit outside work-ing hours—and may this continue for future years!

ROBERT TORRANCE

Thirty-five years in the bindery of the Eaton Winnipeg Printing Department was celebrated by Robert Torrance on November 21. This means that he became an Eatonian not very long after that department was getting into full swing here and before it moved from the central buildings to the big Alex-ander Avenue location. For recreation and outdoors activity he has a liking for golf, and also for hunting and fishing.

E.E.C.F. Plays "Santa" to Hospitalized Children

Tears were akin to laughter on the faces of the small children in the Children's Hospital when Santa, acting for the Company's Winnipeg employees, delivered a 21-inch screen Viking television set the other Saturday. The "rabbit ears" were up in a jiffy, and in no time flat all was silence as they watched the antics of Walt Disney characters Disney characters.

Children in the Manitoba Sanatoriums also were not forgotten! Specially packaged bags of candy, Punkinhead books, and a gift for each child was sent by your Fund committee to help brighten their days... a treat especially welcomed by the Indian and Eskimo children! In addition, Santa paid a personal call on the kiddies in St. Boniface Sanatorium and the Indian Hospital at Dyneyor, near Selthe Indian Hospital at Dynevor, near Selkirk

Just an example of the many gifts to deserving organizations and individuals that your contributions to the Eaton Employees' Charitable Fund make possible!

JOHN R. SPEED

December 8 was the day when Winnipegborn John Richard Speed celebrated his 35th anniversary with the Company. John came to Eaton's after a term as a trooper with the Fort Garry Horse in the Great War, and for 34 of his years was with the Delivery. About a year ago he transferred to Freight Transport, his present department. port, his present department.

On his anniversary morning, Mr. A. Arnason, on behalf of the departments, presented Mr. Speed with a radio and wished him good health and good years to continue with the Company. Married, Mr. Speed enjoys gardening most among healthful recreations.

MARY GERTRUDE THOMSON

Miss Thomson thought her birthplace too hard to be spelled here—but Ye Ed, thought it was too classically Scottish to be missed—here or any time! 'Tis Ecclefechan — the county, Dumfriesshire — and we're sure the clansmen in Eaton's would never forgive us did we not say so!

December 8 tallied up 35 years for Miss Thomson—over 20 in the Grocery Packing where she now is, and the other divided be-tween 147 (the old Cashiers and Parcellers) and 127, Shopping Card Assembly.

and 127, Shopping Card Assembly.

Her anniversary date was marked by the presentation of a camera by Mr. G. B. Douglass, on behalf of the department, and other personal tributes from friends, with sincere wishes for many more happy Eaton years.

Golf is one of Miss Thomson's warm-weather recreations and she has always had a liking for bowling—with needlework an interesting, but not dominant relaxation.

COMPANY VICE-PRESIDENTS VISIT THE WEST

Mr. J. R. Jenkins, vice-president of The T. Eaton Company Limited, was in Winnipeg from December 10th until the 14th on his return from the west coast, and a tour of Western Stores with Mr. A. R. Tucker, western general manager.

Accompanying these gentlemen from Winnipeg to the west coast, but unable to stop off here, were Eaton Vice-President F. B. Walls, Montreal, and Mrs. Walls.

Santa Claus Makes Special Trip To Be Present at Eaton's Annual "132" Party

A starry-eyed gathering of more than 160 children, their parents and grandparents, greeted the grand old traveller when he arrived at Scott Memorial Hall

Wednesday evening, December 8, for the Caretaking, Receiving, Night Staff and Fire Protection Departments' Christmas party.

A volunteer choir—seen in our pictures—led in the singing of the Christmas carols and hymns for the first part of the evening, with Mr. B. Sutherland as "choirmaster." From about 7:30 onwards, messages began to come in from the north covering Santa's journey.

Vic Taylor, accompanist and M.C., thanked Mrs. B. Sutherland for taking over as pianist until his arrival, then introduced juggler Steve Senick who gave a dazzling display of his art. Suddenly there was the sound of bells, and then in the door walked Santa Claus—and was he welcomed!

Like we read about him, he spoke very little but went right to work and, with the aid of willing helpers, started to give out gifts to each little girl and boy, taking time to say friendly words to each. A packet of candies and fruit accompanied each gift.

Tom Giles officiated as "call-master" for the children, and later asked for a round of applause for Santa as he left. Then came a hearty vote of thanks to the committee: Eric Moore, Bessie Forbes, Alex Patterson and Alex McDonald, Bill Mair, Jack McKay, Bill Sorby and all the others who helped so willingly.

Refreshments then picked up the energy of both young and old, and to cheery calls of "Merry Christmas," the young folk were shepherded away home, wakeful or sleepy, to watch and wait for Santa's return on Christmas Eve!

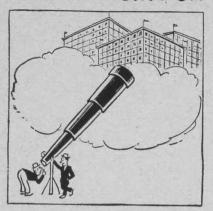

The packages of fruit and candies, and the refreshments left over, were taken to the Salvation Army Hostel.

Basement Store Christmas Party By J. Beech

Credit is due Mr. A. Warren and Mr. G. Hammond for the successful Christmas party they organized for the Basement Store departments at Vasa'Lund, Saturday, December 4. One hundred and thirty-one people enjoyed a most delicious smorgasbord (so proven by the heaping plates) after which hats and horns were distributed. hats and horns were distributed.

A sing-song was led by Mr. B. Sutherland, Personnel manager, with Miss J. McIntosh at the piano trying to keep us in tune. We were also favoured with a solo by Miss D. Sutton. Dancing followed with music by Mrs. B. Sutherland at the piano, and records.

Repeat—A most enjoyable time was had by one and all and we are looking forward to another party in the near future.

RETIREMENT OF MR. N. B. SMITH, OF THE MANCHESTER OFFICE

Contacts joins with all Eatonians in wishing a happy, healthful retirement to Mr. N. B. Smith, of the Company's Buying Office in Manchester, England. Mr. Smith said good-bye to his colleagues and the Company recently after serving them for 42 years years, 25 of which were spent in charge of the Manchester office.

All those who have represented our Winnipeg organization on buying trips overseas will miss their association with Mr. Smith at the office there; and in case they have the time to visit him on any occasion while there, he will be glad to see them. His address now, he informs us, is "Oakville," Park Hill Road, Hale, Cheshire (not far away, of course, from the big city).

Curlers' Wait Was Long Indeed!

The Eaton Curling Rink—like all the "natural" ice rinks in the city and much of the west—had to wait long and anxiously for hard enough ice this season! Monday evening. December 13, however, was a "good luck" evening for the club, as the sheets were ready and the opening games scheduled. But alas, it was just a "one-night stand" as the weather turned milder immediately after, and as we turn this in for "lock-up" about mid-December, the ice is still not hard enough for play. More news, we sincerely hope, with details of games next issue.

Holiday Declared for Roller-Skating and Square-Dancing Clubs

"Alamo" Square-Dancers will not meet during the holiday but will start their evenings again beginning Monday, January 10. Cordial invitations are once more extended to all who'd like to join, learners included.

Roller Skaters are signing off until Wednesday evening, January 12. Here, also, members welcomed—see Doug McPherson at the Recreations, Employment Office, Second Floor, Store.

In Memoriam

GEORGE J. A. YOUNG

Retired in 1943 due to ill health, Mr. Young had a long and distinguished career with the Company. He joined the Drug Department here and rose to be supervisor and European buyer for the Drug and Candy Departments. In 1928 Mr. Young was made supervisor of Saskatchewan Stores, then in 1932 supervisor of the Food Departments in Toronto Store; later returning to Winnipeg in charge of the Research and Branded Lines Department. During the second World War he was on loan to the Government as Administrator of the Wartime Prices and Trade Board in Winnipeg. His death took place December 4 while visit-

ing in Toronto. To his widow, son and daughters, his many friends in Eaton's extend sincere sympathy in their loss.

S. W. CUTHBERT

Retired from Eaton's in December, 1940, after many years in the China Department, "Fuzz" Cuthbert passed away suddenly on December 7. An Eaton veteran of the first World War, he was for years a well-known figure in the sports world. Especially in baseball around the city leagues and in the old Eaton Athletic and Recreational Association, "Fuzz" was a leading figure. His loss is mourned by hosts of friends, and their sympathy goes out to Mrs. Cuthbert and family in their bereavement.

J. W. SUSANS

Retired from the Carpenters' Shop some years ago, Mr. Susans was a much-liked member of the staff, and known to all old-timers in Eaton's at Winnipeg. A life-long member of the Salvation Army, he was known to many in this city and their sympathy goes to his family in the passing of a fine old gentleman.

JOHN HENDERSON

Retired Eatonian who was with the Company for nearly 30 years in Winnipeg Store Delivery Department, Mr. Henderson's death occurred on November 28. A native of Scotland, he had been in Canada nearly 50 years. Sincere sympathy from all his friends is extended to Mrs. Henderson and family in their loss.

WILLIAM WHITE

At the age of 78, William White died December 6 in Victoria Hospital. He retired from Eaton's Store staff in 1941. Bill is well remembered by many older Eatonians and Y.M.C.A. members as a fine gymnast, showing his skill on the trapeze, rings and parallel bars at many a Y.M. Circus. To his sisters, surviving in England, all our sympathy.
